

The Latimer Art Club: Celebrating 100 Years  
A Juried Exhibition

This year the Latimer Art Club celebrates its 100th anniversary. To honor this important milestone, the Museum has organized this juried exhibition of present-day Latimer Art Club members. Founded in 1921, the Latimer Art Club is a nonprofit organization dedicated to promoting the fine arts in a wide variety of media. The Club encourages skill development with creative programs and college scholarships. The Latimer Club was the founding volunteer organization of the Nevada Art Gallery, which is today known as the Nevada Museum of Art.
